

## TARGET BAIT

# CHICKPEA FLOUR

### Key Points:

- ✓ 22% protein

### Product Description

100% pure chickpea flour, milled from whole dry chickpeas. This flour is a great alternative to soya and maize flours. High in protein, it would be good to use with a nut/milk base boilies due to its nutty taste. Chickpea Flour is a very popular, traditional method of attracting carp time and time again.

Recommend inclusion level is up to 20% – (200g) per kg base mix.

Country of Origin: Australia/UK

### Physical Properties

Appearance: Fine Granular Powder  
Colour: Yellow  
Odour: Aroma of Peas

### Analysis

Fat	2.7 %
Fibre	11.5 %
Protein	21.7 %
