

TARGET BAIT

4FISH BASE MIX

Key Points:

- ✓ Blend of Fish Meals
- ✓ Quality Protein Source
- ✓ Suitable all year round

Product Description

MADE IN
OUR OWN
UK MILL

Containing quality protein sources Target Baits 4Fish Base Mix has been carefully formulated to help provide an excellent energy source, suitable all year round.

With generous levels of LT Sardine & Anchovy, CPSP 90 Pre-Digested, Salmon Fish Meal and Tuna Fish Meal Target Baits 4Fish Base Mix helps provide quality protein sources alongside amino acids aiding digestibility, for a higher nutritional value.

To help enhance the oils content milk powders alongside Soya Flour (Trusoy) are used, providing an additional energy source that will help keep the carp coming back as they learn the nutritional value of the bait.

Broccel Yeast is also included not only to help enhance the flavour but also to improve digestion and absorption of nutrients for a happy healthier carp.

Use approximately 7 eggs per Kg of dry base mix, depending upon other liquids added.

Recommended Additives: 5% AVT24 Carp Complete, 3% Kelp Meal.
