

TARGET BAITS FISH SAUCE

Key Points:

- ✓ Pungent smell

Product Description

With fermented anchovy extract, salt and sugar this Fish Sauce packs a seriously pungent smell, that fish find very difficult to resist. As it is a thin liquid it is extremely soluble so it disperses extremely quickly when submerged in water.

Makes a great addition to spod mixes or you can use it to glaze baits and pellets, and makes a great addition to stick and method mixes when diluted at a rate of one part fish sauce to 10 parts water. PVA Friendly.

Country of Origin: Thailand

Physical Properties

Colour: Light brown which will darken over time
Appearance: Liquid may contain naturally occurring salt crystals
Odour: Salty and fishy
