

TARGET BAIT

TUTTI FRUTTI

Key Points:

- ✓ Melody of Sweet Flavours
- ✓ Wonderful Aroma
- ✓ Extremely Effective

Product Description

A true classic, Tutti Frutti is an incredibly popular flavour that is considered legendary, responsible for many catches over the years.

Tutti Frutti contains a melody of different sweet flavours, including Bananas and Red Fruits, that produce a wonderful aroma, that is so distinctive and attractive, with the different flavours shining through.

Carefully sourced, selected and combined in precise proportions Tutti Frutti has been specifically formulated as an additive to encourage appetite, that will keep carp coming back time and time again.

Tutti Frutti flavouring is extremely effective with a wide range of uses if you are looking for a bait that is sweet, ideal for us in base mixes, pop ups, ground baits and a spod mix.
